Rolleston on Dove Parish Council

www.rolleston.org.uk

The Parish Council meets on the second Monday of each month in the Old Grammar School Rooms. Meetings start at 1930, and are open to the Public. The agenda for each meeting can be found on the village website and on noticeboards around 7 days before the meeting is held.

Thursday May 7th 2015 is Election Day for Borough Councillors and for the General Election. There will be no Parish Council election on this occasion as two Councillors have left us and no further applications were received. The Chairman wishes to publicly thank Mrs Warren and Mr Adams for their contribution to the Parish.

Updated photographs of the full Parish Council are now on Facebook.

PLANNING & PROPOSED DEVELOPMENT INFORMATION

Both the threat and the reality of large scale developments within the village and surrounding areas is never far away. The Parish Council are informed and have the chance to comment on every planning application within Rolleston, or effects Rolleston.

COLLEGE APPEAL

Solicitors for Burton and South Derbyshire College have, as suspected, applied to go to Judicial Review over the Secretary of State decision to refuse planning permission on the College Fields. There is as yet no timescale for this to be heard. We will of course keep you informed of any developments.

GLENVILLE FARM

Outline Planning Permission has been submitted for a large development on the Glenville Farm site. Whilst the majority of the plan falls outside the Rolleston Boundary it would have an impact on the village. The Parish Council have objected to the plan.

To view live planning applications, you can visit the Planning Portal on East Staffordshire Borough Council website.

www.eaststaffsbc.gov.uk/planning/applications-and-decisions/applications-and-appeals

NEIGHBOURHOOD DEVELOPMENT PLAN

The Neighbourhood development Plan has not been put to referendum by East Staffordshire Borough council. There are items within the plan which have been reviewed. It will go out for consultation for six weeks before being put to Referendum. The six weeks consultation period could not start until after the General election due to the period of time known as Purdah.

BROOK HOLLOWES

Members of the Parish Council continue to talk with experts and representatives from East Staffordshire Borough Council to discuss the future of Brook Hollowes.

The Parish Council hopes you will have noticed the improvements to Brook Hollowes which have already been made. Funding is being sought from the Neighbourhood Development Fund and Parks for People (Lottery fund). Information is also being sought from English Heritage.

Look out for information at future village events.

ROLLESTONIAN OF THE YEAR

A big thank you to everyone who took the trouble to nominate fellow villagers for the work they do within our community. The standard of

nominations was very high this year. Parish Councillors in the end voted for Clive and Rosemary Baker for the work they have led on the Rolleston Station Project.

Special mention should be given to the amount of nominations received for Kate Goldsmith, who sadly lost her life this year. The Parish Councillors wish to recognise the work Kate did in the village - a contribution that was so obviously appreciated by so many of you.

TREE WORKS

Work to Trees on The Croft and along the Jinnie Trail have been worked on since the last Rollestonian was issued. Whilst some of the work may seem drastic, the Parish Council seeks professional advice before any work is completed and carefully considers the impact to the village. Generally, trees are worked on due to health and safety implications to the general public, as well as the health and longevity of individual trees and those around them.

VILLAGE CLEAN UP DAY

This year's village clean-up day has been arranged for Saturday 16th May. The more volunteers that turn up, the more jobs we can get done. We will meet outside the Spread Eagle at 0900 hours. Come along with gardening tools and gloves.

ANNUAL FOOTPATH WALKS

Every year the footpaths are walked in full to ensure they are passable and fault free. This year half of the paths will be walked on Tuesday 2nd June meeting at 1800 hours outside the Spread Eagle, and the other half on Sunday 14th June meeting in the same place at 1000 hours. Everyone is invited to attend, including our four-legged friends.
