Have had a conversation with the contact passed on by PCSO Julia Wells. Whilst he could not formally take on the work, he suggested some alternatives;

Large sign to be secured to the railings facing the entrance stating that the area is patrolled at various times throughout the day and night by Staffordshire Constabulary. Car registration plates may be noted.

If there is power to the carpark he also suggested PIR lighting which illuminates whenever there is movement. There are also solar powered options for PIRs if there is no power. See in correspondence section on Commissioners People Power Fund.
