Love Rollestone Giant Postcards
On Show in the Heart of the Village.

Sat 24th, Sun 25th & Mon 26th May 2014

Guidelines & Suggestions

1. An invitation to families, individuals, organizations and businesses to make a free-standing Giant Postcard for an outdoor display that celebrates what makes Rollestone on Dove a special place.
2. Giant postcard designs should be applied to a water-resistant board (suggest plywood or OSB).
3. Apply to it a composition, a work of art that shows your favourite village features.
4. On the back, write a short piece describing what you love about Rollestone.
5. A variety of techniques could be used including painting, collage, mosaic, bas relief, etc. Enjoy the opportunity to be experimental.
6. Board size : Minimum 2 x 3' ~ Maximum 4' x 6'- ideally ratio of 2:3
7. Participants are encouraged to obtain their own materials, however, if you have difficulty with this, we will supply boards and brackets at cost (2' x 3' = £20.00) (4' x 6' = £30.00).
8. Please return Registration Form by Friday 21st March.
9. Remember, it will be necessary to attach four right-angle brackets to the giant postcard so holes will need to be drilled through your Giant Postcard.
10. Completed Giant Postcards to be delivered to the Old Grammar School (Churchyard) between Tuesday 20th and Friday 23rd May. The work will be displayed in an appropriate village location.
11. Thank you for entering into the spirit of things.
12. All enquiries to John Phillips 78 Beacon Road, Rollestone on Dove DE13 9EQ Tel: 813833
